

Performing Arts USA Inc Photo Release Form

Dear Parents/Guardians:

As you know, when your child participates in PAUSA Inc's lessons or special events we often have many great photo or video opportunities. We would like your permission to use photographs and/or videos taken during class time, field trips, special events or celebrations. We will utilize these images to publicize PAUSA's work in the community to our funders, future donors and promote the program to other interested community parents.

We promote our program through color brochures, videos, our website, and other types of promotional materials. When photographs or videos are used for publicity purposes, children are never identified by name. All materials used for publicity will be available for the child's parents to review upon request. In addition, parents reserve the right to request that any photograph **not** be used for publicity.
